

LED UK

Brite + 300 x 300

300 x 300 lay in, back lit, recessed LED Modular with opal diffuser which as part of the Brite Range, compliments the 600 x 600 and 300 x 1200 LED Brite + Modular fittings . The luminaire is designed for lift and tilt installation onto a 15mm Tee Grid or a 24mm Tee Grid. The Brite 300 x 300 lay in modular fitting is also suitable for an offer up installation into a plasterboard ceiling. The Brite 300x300mm LED panel light is an environmentally friendly LED solution assembled from injection moulded ABS. The diffuser is constructed from high efficiency PMMA which provides a highly uniformed, low glare and dot free distribution of light.

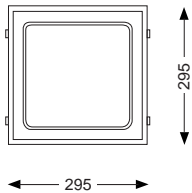

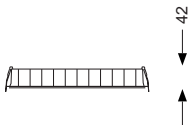

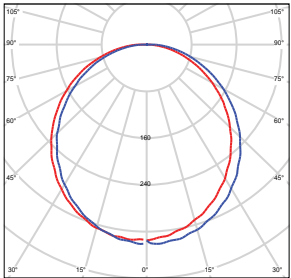

- Architectural appearance - screwless smooth bezel
- Advanced design - Injection moulded PMMA body
- High transmittant frosted lens
- Instant on - no flicker
- Lift and tilt or offer up installation
- Environmentally Friendly - No mercury or lead enters the environment
- No RF and electronic magnetic interference
- Over 50,000 hours life span
