Sprite RGB

The Sprite RGB is a high power circular LED wall washer. The luminaire is available with beam angle options of 25° and 38°. Using the 25° beam angle the wall washer can project up to 20 metres. The Sprite RGB is IP65 rated for internal and external use. The fitting uses Edison 3-in-1 (red, green and blue) LED chips housed in an aluminium housing and is finished with stainless steel fixings.
