

LED UK

Square

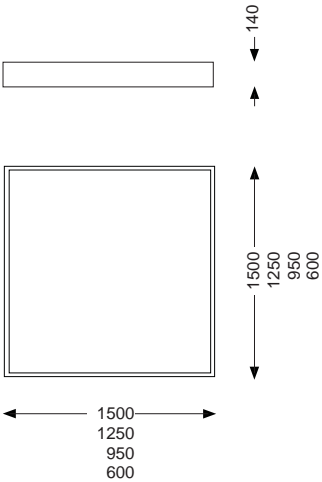

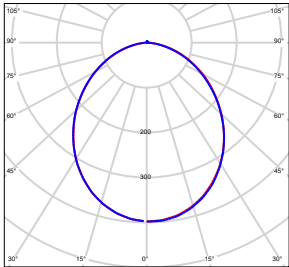

The Square LED is a large area square luminaire available in sizes from 600x600mm to 1500x1500mm. The Square can also be surface or suspended. The surface version is available with an LED backlighting kit which creates a halo effect on the ceiling. The fitting is made from aluminium which has been welded and finished for a fixingless appearance with a Thermolastic Membrane. Other custom sizes are available on request.

- Aluminium body
- Thermolastic membrane diffuser
- Instant on - no flicker
- Environmentally Friendly - No mercury or lead enters the environment
- No RF and electronic magnetic interference
- Over 50,000 hours life span
