## Alcor Mini Track

The Alcor Mini Track is a Track mounted compact luminaire finished in either Black or White. The fitting has a smooth finish and is available with a choice of beam angles, LED colours and lumen outputs. The Alcor uses a high quality die-cast aluminium heatsink for fast cooling to ensure performance and a long lifespan. This spotlight allows for a 350° horizontal rotation and a 0°-90° tilt for flexibility.

- Instant on - no flicker
- Environmentally Friendly - No mercury or lead enters the environment
- No RF and electronic magnetic interference
- Over 50,000 hours life span

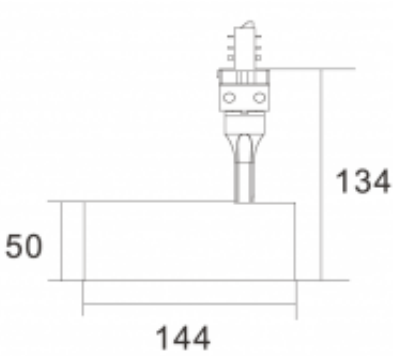

### General

|               |                           |
|---------------|---------------------------|
| Dimensions    | 50mm Diam x 144 L x 134 H |
| Installation  | 3C Track Mounted          |
| Beam Angle    | 15°                       |
|               | 24°                       |
|               | 30°                       |
|               | 36°                       |
| Voltage       | AC220-240V                |
| Certification | CE, ROHS                  |
| Warranty      | 5 Years                   |

### Performance

|                  |                                  |
|------------------|----------------------------------|
| Colour Rendering | Ra>80 - 90                       |
| Longevity        | 50,000 hours                     |
| System Power     | 7 W                              |
| Exit Lumens      | 490 lm                           |
| Efficiency       | 70 l/cW                          |
| Compliance       | Building Regulations             |
|                  | ETL (Energy Technology List)     |
|                  | ECA (Enhanced Capital Allowance) |
|                  | SKA Rating                       |

### Available options

|                    |                                                                           |
|--------------------|---------------------------------------------------------------------------|
| Wattage            | 7W - 490lm                                                                |
| Base Colour        | White, Black                                                              |
| Colour Temperature | 3000K, 4000K                                                              |
| Lens               | Clear, Honeycomb                                                          |
| Beam Angle         | 15°, 24°, 30°, 36°                                                        |
| Dimming            | Fixed Output, 1-10V Dimming, DALI Dimmable, Mains Dimming, Switch Dimming |
