Athena Mini Track

The Athena Mini Track is a Track mounted compact luminaire finished in either Black or White. The fitting has a smooth finish and is available with a choice of beam angles, LED colours and lumen outputs. The Athena uses a high quality die-cast aluminium heatsink for fast cooling to ensure performance and a long lifespan. This spotlight allows for a 350° horizontal rotation and a 0°-90° tilt for flexibility.

- Instant on - no flicker
- Environmentally Friendly - No mercury or lead enters the environment
- No RF and electronic magnetic interference
- Over 50,000 hours life span
