Spline

The Spline is a recessed 23mm wide continuous luminaire, available in 1000mm to 4000mm sections. The Spline has a micro trim bezel which gives a minimalist appearance in the ceiling which makes it ideal for architectural spaces. The fitting is made from extruded aluminium with a polycarbonate diffuser to achieve a highly efficient linear profile.

- Aluminium profile
- Frosted polycarbonate diffuser
- Instant on - no flicker
- Environmentally Friendly - No mercury or lead enters the environment
- No RF and electronic magnetic interference
- Over 50,000 hours life span
